# A DIFFERENT TREE SALE!

In a recent survey to nearly 150 families from last year's tree sale, we asked if during this COVID1-19 situation, would they be interested in buying a Christmas tree from us. A majority responded they would and more likely order the same type of tree as they did in 2019. These families expressed their concerns about the coronavirus and even offered some solutions, but overall, the sentiment was Christmas is needed during these unprecedented times. One family best reflected the importance of the tree sale by writing, *'I don't want COVID-19 to ruin Christmas.'*

We took your feedback seriously, and we spent many hours deliberating how to safely have a Christmas tree sale while protecting our families and volunteers. Unlike previous years, this year's Christmas tree sale will be different. Please carefully read and understand our plan to have a wonderful holiday season that is safe for all. *Mahalo. Hilo Y's Men & Women's Club.*

<b>FEWER TREES.</b>	We are ordering a smaller Matson container with fewer Christmas trees. Arriving will be a 20' container with approximately 250 trees including Elf and Wreaths half as much as 2019 but the same type of quality trees – <i>Grand, Nordman, and Noble Firs</i> - but limited heights and quantity. <b>Pre-Order Early.</b>
<b>FIRST COME, FIRST SERVED.</b>	Pre-Orders will be accepted on a first-come-first-served basis. Mailed pre-orders will be verified by postmarked date; email verification by date and time received by the club's registrar. No phone orders.
<b>EARLY ORDER. EARLY SELL OUT.</b>	September 1, we are starting our pre-order sale earlier than in previous years. With fewer trees and a strong base of customers, we may sell out quite early. <b>WE ADVISE YOU TO ORDER AS SOON AS POSSIBLE.</b>
<b>NO GUARANTEE.</b>	We will make every effort to accommodate your order but due to the limited quantity of trees, we cannot guarantee your order. You will be contacted and advised of the situation.
<b>NO PRICE INCREASE.</b>	The impact of COVID-19 on our island families is huge and while our tree costs increased from 2019, we are not passing the cost on to our families.
<b>COVID-19 SAFETY FIRST.</b>	To protect our families and volunteers, we will require masks, social distancing, and temperature checks when picking-up your order. Sanitize stations will be at the entrance to the tree lot.
<b>DELIVERY.</b>	Home delivery will be to a garage or outdoor area. <b>NO IN-HOUSE DELIVERY OR SET-UP.</b> We will deliver to businesses following CDC guidelines.
<b>HOLDING TREE.</b>	To hold a tree overnight, a charge will be assessed. \$10 for 1-2 nights, \$15 for 3 or more nights.
<b>NOBLE FIR</b>	 Noble trees have a naturally symmetrical shape with well-spaced, sturdy branches that are perfect for displaying ornaments
<b>NORDMAN FIRS</b>	 Nordman trees are favored for its attractive branches exhibiting a perfectly pyramidal specimen evergreen. It is also the least fragrant of trees, which makes it the perfect tree for those with allergies
<b>GRAND FIRS</b>	 The Grand trees are very rich, woody fragrance signals Christmas is in the air. Smooth needles up to 1 ½ inch in length grow in two distinct rows to give the Grand fir a silky, feathery appearance.
<b>KIRK ELF</b>	 Approximately 3 feet in height, the Kirk Elf Tree is specifically cultivated to resemble a typical 6' to 7' Christmas tree. Each tree is hand sheared to create a full, symmetrically tapered appearance. Excellent for small spaces or tabletop display. Comes with a water bowl.
<b>24' WREATH</b>	 Make the Christmas season special with a 24" wreath incense Cedar, with three pine cones. Every home should have a special wreath for the holidays, they are an essential part of the season and a symbol of welcome and warmth.
