CONNECTIVITY PROGRAM

Description

The Island of Hawaii's CONNECTIVITY Program is a technology based learning program funded by the Federal Government through the CARES Act. The CONNECTIVITY Program at the Island of Hawaii YMCA Campus provides children and youth on the Island of Hawaii a safe haven to not gain FREE access to the internet or WIFI and the use of education based technology devices to aid in consistent distance learning attendance, class participation, access to online educational resources, printing and homework completion through platforms such as ZOOM, Webex and Google Classroom.

Who Is Eligible To Participate?

Those families whose student(s) between the ages of 5-18 years old, are faced with difficulty connecting to the internet and WIFI that aids in the student's ability to maintain consistent distance learning attendance, access to online educational resources and homework completion. Those families whose children are active participants in the NEW HORIZONS and CONNECTIVITY CHILD CARE Program have access to the facility and the use of the YMCA's technology services offered through the CONNECTIVITY Program.
